

Steer your team's Tortuga (v), grab all three babies of your color and head to your Whirlpool before the other team can do the same!

Avoid hungry Crabs! They'll knock ONE of your babies somewhere back into the sand.

Grab the Gull Coin when you can. A seagull will be summoned to attack your opponent knocking ALL the babies they are carrying into the sand. #nomercy.

The first Tortuga to get all babies to their whirlpool 5 times wins. Only the fittest of the fittest shall survive.
